Manufacturers Located in FLORIDA**

Expense Reduction Cost Services

An exemption from sales and use tax is available for purchases of industrial machinery and equipment used at a fixed location in Florida by an eligible manufacturing business that will manufacture, process, compound, or produce for sale, items of tangible personal property.

Our Company Expense Reduction Cost Services examines the tax laws, and simplifies the process by dealing with one exemption at a time.

The largest one is “Machinery & Equipment used in manufacturing including parts and labor for their repair are exempt of Sales Tax & Use Tax.

For eligibility for these exemptions please provide your NaiCS code no. that should begin with two digits which are 31,OR 32.

Here are the examples of qualifying machinery and equipment:

- Forklifts
- Conveyor belt systems
- Machinery or equipment that shapes, cuts or forms the product being manufactured.
